

2018 Season Background Check Requirements

1. As discussed at the Director's meeting, there will be no background checks done by the PAL police officers, nor the village police officers.
2. Everyone participating in the NCPALYLL will have the same identical background check done through SportsEngine for the cost of \$10.00. Many communities are reimbursing their coaches, others are not. That is up to each individual community.
3. No ID badges will be issued unless the SE background check has been passed.
4. We will not be accepting background checks done for other sports/organizations. You must do the background check for NCPALYLL through SE.
5. Junior volunteers (under 18 years of age) do not do background checks. If they will be 18 before the start of the season, they must do a background check.
6. The link for the background check for 2018 is <https://nassaucountypallacrosseleague.sportngin.com/register/form/845813554>
